Big container ships collision in Busan, serious damages

Posted in **Accidents** by Mikhail Voytenko on Mar 02, 2019 at 07:25.

Panamax container ship SAFMARINE NOKWANDA struck Neopanamax container ship TIANJIN while berthing at Busan Container Terminal at around 0800 LT Mar 2. SAFMARINE NOKWANDA struck TIANJIN stern, inflicting serious cargo damages, with a number of container crushed and collapsed. Stern sustained structural damages. SAFMARINE NOKWANDA bow also suffered damages including breach, see photo. At the time of collision, TIANJIN was moored, SAFMARINE NOKWANDA was technically, under way.
