A Mediterranean Shipping Company containership appears to be grounded on the breakwater at the Port of Gioia Tauro in Italy.

Photos and videos show the ship with its starboard bow up against the southern breakwater with multiple tugs assisting.

The *MSC Elaine* is a 8,566 TEU containership built in 2009 and sailing under the flag of Panama. Her reported draft is 14 meters.

So far no injuries or pollution have been reported, but damage to the ship unknown.

grounding
